

COURSE ICON LEGEND

These icons appear throughout the course and represent different elements or activities that you will navigate through.

Represents an instructor **Video Lecture** or a **Demonstration Video**.

Represents a type of **Reading**, but can be a **Lecture Summary**, or set of **Instructions**.

Represents an ungraded or **Practice Assignment**.

Represents a graded **Assignment**, typically in the form of short quiz.

Represents a **Discussion**. In this course participation is not mandatory, but we strongly encourage it. Share coding techniques or issues and get feedback from your classmates

Represents a **Programming Assignment**.
